GLORIA ESTEFAN (LYRICS FROM A GIRL'S VIEW)

Hearts gone astray, leaving hurt when they go
I went away, just when you, you needed me so
Filled with regret, I come back begging you
Forgive forget, with love we once knew

Open up your eyes, then you'll realize
Here I stand with my, everlasting love
Need you by my side, want to be your bride
You'll never be denied, everlasting love
From the very start, open up your heart
Be a lasting part of everlasting love

(Real love will last forever Real love will last forever)

Where life river flows, no one really knows
Till someone's there to show the way to lasting love
Like the sun it shines, endlessly it shines
You always will be mine, with eternal love
Whenever love went wrong, ours will be strong
We'd have our very own, everlasting love

(Real love will last forever Real love will last forever
You give me
You give me
You give me ever lasting love (x2)

Open up your eyes, then you'll realize
Here I stand with my, everlasting love
Need you by my side, want to be your bride
You'll never be denied, everlasting love
From the very start, open up your heart
Be a lasting part of everlasting love

(Real love will last forever Real love will last forever)

Open up your eyes, then you'll realize
Here I stand with my, everlasting love
Need you by my side, want to be your bride
You'll never be denied, everlasting love

You know you feel me
You know you feel me
You know you give it to me

LOVE AFFAIR (LYRICS FROM A BOY'S VIEW)

Hearts gone astray, leaving hurt when they go
I went away, just when you, you need me so
You won't regret, I come back beggin' you
Won't you forget, welcome love we once knew

Open up your eyes then you realize
Here I stand with my everlasting love
Need you by my side, girl to be my bride
You'll never be denied, everlasting love

From the very start, open up your heart
Be a lasting part of everlasting love

Need a love to last forever
Need a love to last forever

Where life's river flows, no one really knows
Till someone's there to show
The way to lasting love
Like the sun that shines, endlessly it shines
You always will be mine, it's eternal love

When ever love went wrong, ours would still be strong
We'll have our very own everlasting love

Need a love to last forever (2x)

Open up your eyes then you realize
Here I stand with my everlasting love
Need you by my side, girl to be my bride
You'll never be denied, everlasting love

From the very start, open up your heart
Be a lasting part of everlasting love.....(fading)
