NINE MILLION BICYCLES

There are nine million bicycles in Beijing,
That's a fact,
It's a thing we can't deny,
Like the fact that I will love you till I die.

We are twelve billion light years from the edge,
That's a guess,
No one can ever say its true,
But i know that i will always be with you.

I'm warm by the fire of your love everyday,
So don't call me a liar,
Just believe everything that I say.

There are 6 billion people in the world,
More or less,
And it makes me feel quite small,
But your the one that I love most of all.

Way high on a wire with the world in our sight,
And I'll never tire of the love that you give me every night,

There are nine million bicycles in Beijing,
That's a fact,
It's a thing we cant deny,
Like the fact that I will love you till I die.

And there are nine million bicycles in Beijing.

And you know that i will love you till i die.
